## **Implementation:**

### **Procedures for responding to and reporting allegations of suspected child abuse**

#### **Forming a belief on reasonable grounds**

A person may form a belief on reasonable grounds that a child is in need of protection after becoming aware that a child or young person's health, safety or wellbeing is at risk.

#### **Reporting a belief**

Mandated staff members must make a report to Child Protection as soon as practicable after forming a belief on reasonable grounds that a child or young person is in need of protection.

Staff members need to report to the principal or assistant principal their belief when the belief is formed in the course of undertaking their professional duties.

A report must be made as soon as practicable after forming the belief and on each occasion on which they become aware of any further reasonable grounds for the belief.

If one staff member has a different view from another staff member about making a report and the staff member continues to hold the belief that a child is in need of protection, that person is obliged to make a report.

*Please refer to the Child Safety Reporting Obligations Policy and Procedures for procedures in response to allegations of child abuse.*

#### **These procedures do not:**

- prohibit or discourage school staff from reporting an allegation of child abuse to a person external to the school
- state or imply that it is the victim's responsibility to inform the police or other authorities of the allegation
- require staff to make a judgment about the truth of the allegation of child abuse; or
- prohibit staff from making records in relation to an allegation or disclosure of child abuse

#### **Strategies to identify and reduce or remove risks of child abuse by ensuring that:**

- risk management strategies have been developed within the following school policies:
  - *Child Safety Reporting Obligations Policy and Procedures*
  - *Student Engagement and Wellbeing Policy*
  - *YPS Behaviour Expectation Matrix – SWPBS*
  - *ICT Acceptable Use agreements*
- all staff are up to date with the Department Mandatory Reporting online professional development
- we follow the DET staff selection checklist before any staff member is offered employment

- provision of a safe environment that staff can come and discuss their child safety concerns with the principal
- providing students regularly with exposure to numbers such as Kids Helpline through the mechanism of our eSmart curriculum

If the school identifies risks of child abuse occurring in one or more school environments the authority must make a record of those risks and specify the action(s) the school will take to reduce or remove the risks (risk controls).

*Explanatory note: Different risk controls may be necessary for particular groups of children depending on the nature of the risk and the diversity characteristics of children affected by the risk.*

- As part of its risk management strategy and practices, the school must monitor and evaluate the effectiveness of the implementation of its risk controls.
- At least annually, the school must ensure that appropriate guidance and training is provided to the individual members of the school staff about:
  - individual and collective obligations and responsibilities for managing the risk of child abuse
  - child abuse risks in the school environment; and
  - the school's current child safety standards.

### **Strategies to promote child empowerment and participation**

- The school authority must develop strategies to deliver appropriate education about:
  - standards of behaviour for students attending the school
  - healthy and respectful relationships (including sexuality)
  - resilience; and
  - child abuse awareness and prevention
- The school must promote the child safety standards in ways that are readily accessible, easy to understand, and user-friendly to children.

### **Evaluation:**

This policy will be reviewed in consultation with the whole school community as part of the school's three year review cycle.

This policy was last ratified by school council in
