Thursday 21st

Finance sub committee
Meeting—2pm (Webex)

Kaleb—8th
Jack—8th
Sophie—10th
Max—12th

From the Principal's Desk

It has been lovely to continue to have the Prep—2 students back on site.

We can't wait for next week when the Year 3/4's can attend Tuesday and Wednesday and the Year 5/6 students on Thursday and Friday. With a bit of luck, we will be able to have all children attending onsite for the remainder of the year from 26th October.

At this point, all excursions, camps and special events are unable to proceed. Let's cross our fingers that things improve, meanwhile we can celebrate the little things like the children being back at school.

All families should have a copy of our Term 4 calendar and the appropriate Area newsletters. These are also available on our website. Please make sure you have these handy so your children are well prepared for their learning experiences.

TRANSITIONS

Both Prep and Year 6/7 transitions continue to be on hold due to restrictions for all schools. As soon as we get the go ahead, we will communicate with enrolled families an updated schedule to try to achieve a comprehensive experience for the children.

YSC has developed a fabulous experience for 6/7 transition—again, they will adjust it as soon as we get the green light.

If you are aware of anyone who has yet to enrol, please encourage them to contact us to ensure they don't miss out on important information. A virtual tour is available on the school website for families who have been unable to come in for a tour.

REGARDS—PENNY EARLE

SALE REGIONAL GALLERY

The Grade 3/4 students were hoping to travel to the Sale Regional Gallery this month to see the 2021 Archibald exhibition. Unfortunately this won't be possible, but fingers crossed the Senior students will be able to go ahead with their excursion next month.

In the meantime, the gallery has arranged a special programme for students keen to see this very special exhibition, especially considering we have four student portraits on display as finalists in the Young Archies. We are a member school so YPS students from all grade levels are eligible.

Archie After School—Port of Sale, 70 Foster Street, Sale
Dates: Monday to Wednesday from 11th to 27th October 2021
Session times: 3pm, 3:30pm, 4pm, 4:30pm—1 hour tour
Free for students from member schools

Gippsland Art Gallery invites students from their member school program for a tour and workshop to get up close and personal with the 52 portraits of the 2021 Archibald Prize!

Join gallery staff and volunteers for an exciting guided tour of the 2021 Archibald exhibition. Discover what makes a good portrait and what makes an artist tick. Tours are followed by a short hands-on art making activity. This program is designed for ages 5—16 years. Session times will vary for different age groups, 3 & 3:30pm sessions are for primary school students and the 4 & 4:30pm sessions for secondary school students. Bookings via:
