

PARENT PAYMENT ARRANGEMENTS 2023

Dear Parents/Carers,

Yarram Primary School is looking forward to a great year of teaching and learning and would like to advise you of Yarram Primary School's voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard Victorian Curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to enhance our digital learning opportunities (computers, ipads, server upgrades) and to purchase current literacy and numeracy resources, sports equipment and student wellbeing supports.

For further information on the Department's Parent Payments Policy please see the one-page overview attached.

Warmest regards,

Karen Langdon

SCHOOL PROCESSES
